If you are interested in hosting the next mixer for the Montana chapter,
please contact [Deb Anderson](#) for more information!

Montana HIMSS Member Spotlight

Linda Cramer

Linda has been a member of the Montana HIMSS Chapter since 2016. Originally from Ohio, she landed in Wyoming in 2011. Her career began serving in the US Air Force as a Radiology Technologist and continued after her discharge. She worked in several rural hospitals and realized early on, she had a true passion for quality healthcare in rural communities. After more than 20 years in the clinical setting, she joined Wyoming Medicaid as the HIT Outreach Coordinator for the EHR Incentive Program and eventually the HIT Systems Manager where she oversaw multiple systems including connections to the the WY Total Health Record Gateway for public health reporting. In 2016, her husband retired and she created her consulting firm Forever West Consulting and began lending her expertise to other states and agencies. Today, Linda continues to be involved with the Wyoming WYFI initiative. She and her husband live full time in an RV and travel throughout the country with their four rescued dogs, the muttley crew.

If you would like to be featured in the next Montana HIMSS Member Spotlight please contact Linda Cramer

Have you taken advantage of your Buy One, Give One Free Membership? When you renew your membership, you can send a free membership to a friend or colleague. Contact Ben Power if you need any suggestions.
