HealthIE Nevada Overview

Montana HIMSS Annual Conference

May 11, 2016

A Little About Nevada

A Little More About Nevada

- Nevada is an “Opt-In” State
 - Except for Medicaid Beneficiaries
- Access is provided for TPO
 - Provision for “Emergency” is provided in Statute
 - Currently working through how data are able to be used for Academic and broader population health purposes
- State HIE ended operations in February 2014

About HealthIE Nevada

- Start-up capital provided July 2011 from a collection of 8 groups throughout Nevada
- HealthIE Nevada was established in December 2011 as a private 501(c)3 non-profit
- Governed by 12 member Community Board
- First Data Exchange took place in January 2012
- Financial Sustainability was achieved in 2015
